

Pond River Farm CSA Membership Agreement

Each week, from late May to October for 21 weeks you'll get the very best our farm has to offer. Fresh, in-season produce including vegetable staples like beans, tomatoes, salad greens and peppers to specialty items like blueberries, flowers, herbs and figs. You will also receive a value-added product from our farm like fresh eggs, homemade bread, pickles or some of our delicious jams and jellies. Packed at the peak of freshness, your CSA basket will vary each week according to what we have picked for that day and according to what we have in abundance. *Note* with abundance, there are also times of *slim pickings*, so there is no guarantee quantities or specific contents from week to week.

Because we want you to share the farm experience with us, CSA pick up is at the farm. We call it **Fridays at the Farm** and we ask that you come between 5pm and 6pm to the farm where your CSA basket will be waiting for you! You are welcome to tour the farm, walk the fields and SEE HOW YOUR FOOD IS BEING GROWN. (if that pick-up time will not work for you, you can meet us at the Farmer's Market on Saturday morning and pick up your CSA basket there) Email and/or group text and reminders on our Facebook page will be sent each week.

Please print, fill out and sign this agreement then mail with **check/money order** to:

Bunny Wickham * 3880 Casner Rd * Madisonville KY 42431
